

# ONE HUNDRED HUNGRY ANTS

By: \_\_\_\_\_

Based on the book by Elinor J. Pinczes:

# Instructions for Teachers:

Use a bag of black beans to represent ants for this book. (Or you could use the plastic ants for even more fun!)

Give each student/small group a page or two to complete.

You will need 100 “ants” per page.

Laminate cover and bind book as a fun class book to keep in your classroom library! 😊
